FSAR Elections 2024

Hello everyone!

We hope you've had a great start to the semester! It's time for the new student council election for the Fachschaft of Automation & Robotics. All A&R students can vote for the 8 board positions:

President
Vice-President
Financial Officer
Vice-Financial Officer
Treasurer
Head of Communications
Head of IT
Head of Sponsorship & Merchandising

While these roles outline specific tasks, everyone plays an equal part in keeping the Fachschaft running smoothly. New students are encouraged to consider "vice" roles to get familiar with the Fachschaft's operations.

If you're interested, please fill out this form: https://forms.gle/fV6kXWt6heUhrtpa8

The election will be in person on Thursday, 14.11.2024, at Haus-Dörstelmann (Baroper Str. 322) – https://maps.app.goo.gl/2KYQdXbJL7rZVdxB9

Only students who attend in person can vote.

After the election, join us for a fun Socials party with board games and karaoke—a great chance to unwind and connect with fellow A&R students!

Please also consider joining our FSAR Community and joining a group of motivated volunteers in organizing and conducting events for Automation and Robotics students:
